What is Chaim V'Chessed?

At Chaim V'Chessed, our mission is to ease the task of navigating life in Israel.

We are staffed by experts who are equipped to provide English-speakers in Israel with the answers, advocacy and assistance they so desperately need.

Our range of activities include hospital assistance, governmental dealings, special education guidance, kupa cholim advocacy, women's health guidance and much more.

From the most critical, even life-threatening issues to the obstacles inherent in just getting through each day, there is no problem too large nor too small to warrant our concern.

Chaim V'Chessed. We're Here for You.

Hospital Assistance

When the language and culture are unfamiliar, hospitalizations become even more bewildering. Chaim V'Chessed is here to help you successfully navigate your hospital stay. Contact us for help with expediting appointments, billing issues, misunderstandings, direction toward food and sleeping arrangements, and making your hospital stay as comfortable as possible. Chaim V'Chessed does not offer medical advice or referrals.
